Contact **Alan Dale** on 07436 808141 or [alan.dale@scania.com](mailto:alan.dale@scania.com) to confirm your place on the team, we will be doing this for Charity so you will need to raise sponsorship for yourself, the charity we are supporting is Northumbria Blood Bikes, a charity established by local volunteers to deliver essential blood and other urgent medical supplies out of hours between hospitals and healthcare sites in North East England. Northumbria Blood Bikes will join a network of Blood Bikes covering a large proportion of the country.

We will have vehicles at Darlington on Sunday afternoon, to transport riders and bikes back to Washington at the end of the ride, unless you fancy riding back ?
