The amount shown is on top of any other amount which you may have to pay under this insurance.

0386 - Garaged vehicle clause (increased excess)

You have agreed that you will keep your vehicle in a locked garage or building either at your home address or at the address declared to us when the vehicle is not being used. If a theft or attempted theft of your vehicle happens within a 500 metre radius of your home address or the garaging address when the vehicle is not in a locked garage or building we will double the compulsory excess.

015 - Limited driving exclusion

We will not provide any cover while your vehicle is driven by, or is in the charge of, any person under the age shown against this endorsement number (other than a person named against this endorsement).

002 - Damage, fire and theft excess for specified people

We will not pay the first amount shown in the schedule for any claim under section 2 of your policy document for an event which happens while your vehicle is being driven by, or is in the charge of, the people named against this endorsement number.

This endorsement will not apply to claims made for windscreen damage only, and the amount shown is on top of any other amount which you may have to pay under this insurance.

Z066 - Blue or green light cover

This insurance is extended to include cover whilst driving using Blue or Green Lights in connection with the emergency services or a medical emergency only.

During the course of a call out or response to an emergency situation or whilst in attendance at an organised event the following amendments to the document apply:

1. The following exception contained in Section 2 Loss or Damage to your vehicle does not apply: Loss or Damage arising from theft or attempted theft if:

- your vehicle has been left unlocked; or
- your vehicle has been left with the keys (or any form of keyless entry/ignition control device), in or on it: or
- your vehicle has been left with the windows or roof panel open; or
- reasonable precautions have not been taken to protect your vehicle

2. If a licensed member of the emergency services drives or is in charge of for that purpose the insured vehicle in order to return it to policyholder then the following General exception does not apply:

- Driven by any person other than those persons named on the Certificate of Motor Insurance as persons entitled to drive or persons unable to drive the insured vehicle by schedule of endorsements.

3. The following General exception does not apply:

- Any liability you have accepted in an agreement which you would not have had if that agreement did not exist.

4. While the insured vehicle is in or on restricted areas of airports or airfields the exception contained in Section 2 of the policy does not apply, however the limit of indemnity is £1,000,000 for both injury and property damage.

0196 - Warranted secondary security

Your vehicle must be fitted with a secondary security device, such as a D lock, disclock, padlock and chain, immobiliser or other similar device.

We will not cover under section 2 of your policy in respect of theft or attempted theft of your motorcycle unless:

- A) The device was fitted at the time of the loss
- B) All keys used to lock/unlock the device are submitted intact to us with the supporting documents for the claim.
