AK to investigate.</p> <p>Web Security. AK reported that under the present system, we would have no support or security updates as of Nov 2021. This would mean our documents would not be 100% safe, which is unacceptable. He stated that our Drupal system needs to be updated from version 7 to version 9 and we should set up new processes to securely store our documents. AK will update on future changes.</p> <p>GDPR AK stated that SAR applications are complex and very time consuming. He asked the committee to agree to him seeking paid legal help for these. This was carried unanimously.</p>	<p>AK</p> <p>AK</p> <p>AK</p> <p>AK</p>
