

# Northumbria Blood Bikes

2016 in review

**December** was our busiest month of the year, with over **900** packages delivered free of charge

We delivered Blood to the Great North Air Ambulance

**every day**

helping to save lives of patients at the scene

Our volunteers took on average **17** minutes from receiving the call to collecting the item

Our vehicles covered **260,000** miles, which is the equivalent to driving around the world **10** times

We purchased **30,000** litres of fuel, which is enough to fly a Boeing-747 for **20** hours

Over **400** unpaid volunteers helped us in a range of roles. With over half of volunteers carrying out multiple roles, including:  
Admin, Controller, **Fundraiser**, Rider & Driver
